MEMORANDUM FOR: Director, Intelligence Community Staff

FROM: Deputy Director of Central Intelligence

SUBJECT: Reprogramming

1. Al Keel, Associate Director, National Security and International Affairs/OMB, called stating that his nose was somewhat out of joint because two reprogramming actions on Community matters had been sent forward to the appropriate Committees on the Hill without prior coordination with OMB. He asked if we could see our way clear to touch base with them, at least so that they remain informed.

2. I assured him that the occasions were obvious goofs on our part, and we would be happy to advise them when we had similar actions in the future. Would you please arrange.

John N. McMahon
